A collage of various COSSLA hardware products. At the top left is a close-up of a hinge. Below it is a metal wire basket. To the right is a QR code with a small circular logo in the center. Further right is a handle assembly. Below the QR code are two long, thin metal strips. To the right of those is a close-up of a handle being installed on a white surface. In the center is a large, multi-armed metal bracket. Below that are two small, curved metal pieces. To the left of the center are several small metal components, including screws and brackets. Below those are two long, thin metal strips. To the right of the center is the COSSLA logo, which consists of the word 'COSSLA' in blue capital letters with a red semi-circle above the 'O'. Below the logo are eight small, green, cylindrical components arranged in two rows of four. To the right of those is a large, complex metal handle assembly. Below the logo are two large, rectangular metal hinges, one brass and one silver. To the right of those is a large, complex metal handle assembly. At the bottom right is a small, blue, cylindrical component.
