**Price:** £340.00

**Date:** 2020-07-30 14:08:41

**Expiration Date:** 0000-00-00 00:00:00

## Description

In short, a web portal is a web-based platform that provides employees, customers and suppliers with a single access point to information. A web portal can be used to provide the user with personalised information such as employee training, safety manuals or a customer profile
