11 Barmouth Road  
London, Greater London SW18 2DT  
United Kingdom

Phone: 0208 8779170

Avis Appleton & Associates is a multi-disciplinary London based practice, encompassing consulting civil and structural engineering, surveying, architectural design, and project management; each discipline is interdependent to deliver a high level of service. Our reputation is built mainly on our experience in the residential and commercial sectors across London and the Home Counties. We encourage active collaboration between our clients and ourselves to achieve sustainable buildings that will respond to our clients' needs, not only today but in the future.
