Lucid Technology Solutions has been a trusted provider of managed IT and telecoms services for over 30 years, serving businesses of all sizes from start-ups to large organisations. With a relationship-driven approach, we speak your language, not "techno babble," ensuring you always understand what you're paying for and why our service delivers exceptional value.Our comprehensive suite of services is designed to be a one-stop-shop for all your technology needs, allowing you to focus on your core business. This includes:Managed IT Support: Proactive and responsive IT support, including 24/7 monitoring, data backup, disaster recovery, and hardware/software management.Cyber Security: Robust network security, including

Cyber Essentials certification, firewalls, and comprehensive security audits to protect your data and systems.Telecommunications: Seamless connectivity with VOIP telephone systems, leased lines, and other tailored communication solutions.Building & Security: Advanced physical security solutions, including CCTV, door access systems, and meeting room technology.At Lucid Technology Solutions, we pride ourselves on our clear communication, experienced team, and a commitment to 100% customer satisfaction. We provide quick responses and a no-hassle guarantee, ensuring your technology works for you, not against you.Website: https://lucidgrp.co.ukPhone Number: 01642 792567
