At Houston Pergolas, we design and build beautiful, long-lasting shade structures tailored to Houston's heat, humidity, and winds. With 15+ years of experience, full insurance, and a friendly, local team, we make outdoor living easy with quick quotes, clean job sites, and clear communication. From cedar and aluminum pergolas to motorized louvered roofs, we handle design, permits, and HOA submittals. If you're searching for Pergola Builder Houston TX, we're ready to help with safe installations, engineered footings, and options like lighting, fans, and privacy screens.
